

# San Diego Sleep Therapy

is proud to recognize

**Dr. Rosemarie Rohatgi, DMD**

as a finalist for **Woman of the Year**

**San Diego Sleep Therapy (SDST)** prides itself on providing the highest quality care with an exclusive interest in saving lives and marriages through better sleep.

**Dr. Rosemarie Rohatgi, or “Dr. Rose”**, is San Diego’s only premiere Dentist who is exclusively focused on treating Snoring and Sleep Apnea through Oral Appliance Therapy, a custom fabricated Oral Device which advances the jaw in a comfortable position to maintain an airway while asleep. Dr. Rose is a leader in sleep medicine and emphasizes an individualized approach to patient care. Dr. Rose’s commitment to research

and community education brings cutting-edge apnea treatment to the region and exemplifies her dedication to patients and families. Through her involvement in education and non-profit organizations, she is not only bringing couples back together in the bedroom, Dr Rose is helping individuals live healthier, happier and more fulfilling lives so San Diegans will Sleep Better and Live Better.
